

2.40 BOARD COMMITTEES

The Board shall organize committees to assist in the fulfillment of Board duties. Committees are to provide a venue for more in-depth consideration of issues than is possible in regular meetings of the Board as a whole.

Committees may be standing or ad hoc. Standing committees generally are those organized by the Board at the beginning of the school year with the intention that they will function throughout the year. At a minimum, one standing committee must be formed to deal with the obligation of the Board to assure the financial integrity of the school. Ad hoc committees are those organized for limited time frames and/or specific tasks.

Board and community members should appreciate the key role that the committee system plays in the development of school policy and practice. Those who have particular interest in issues should take advantage of committee meetings to make their views known, rather than wait until a finished proposal is presented at a Board meeting.
